INTRODUCTION

St. Augustine's School of Nursing, Chapaguri, Chirang Dist. Assam established in the year 2011 is an institution of Catholic Church and run by Augustinian Sisters. The institution is run under the aegis of St. Augustine's Social Service Society that is registered under Registration of Societies' Act, XXI 1860 (RS/BONG/252/A/08).

The Religious Order of the Augustinian Sisters was founded in Germany in the year 1838 when four dedicated sisters rented their service to the sick & took care of the dying. Our service was an answer to the needs of the times. For many decades our works of Charity fruitfully met all kinds of social needs. The humanitarian works of Charity of the Order took its roots in India in the year 1964. St. Augustine's School of Nursing is recognized by the Indian nursing council **(INC) and Assam Nurses' Midwives' & Health Visitors' Council, Guwahati- 22** and offers Diploma course in General Nursing & Midwifery.

This school together with its parent institution & affiliated hospitals aim to prepare professionally qualified nurses to meet the health needs of the people radiating **"the compassionate love of CHRIST"**.

PARENT INSTITUTION

St. Augustine's Hospital was a dream of the Diocese of Bongaigaon which was realized in the year 2000. It is a general hospital with the bed strength of 125 & managed by the Augustinian sisters & registered under the State Health Authority Assam, Dispur.

The school together with parent institution & affiliated hospitals tries to prepare qualified nursing professionals with a difference: "Love for the poor, the lonely and those who are rejected by the society".

OUR VISION

A centre for Nursing Education focused on preparing creative, caring, competent and dedicated nursing professionals to meet the needs of the time, **RADIATING THE COMPASSIONATE LOVE OF CHRIST** to the sick and suffering.

MISSION

St. Augustine's School of Nursing is committed to provide comprehensive nursing education and clinical skills to the nursing students.

PHILOSOPHY

An eclectic approach in philosophy of nursing education that focuses on self-reliance, compassion and mentoring guides St. Augustine School of Nursing. The eclectic approach in the nursing education finds its expression in,

1. The belief of management and staff of St. Augustine School of Nursing that students undergoing training in this school should individually be followed, guided and developed in to mature, responsible persons with high moral standard in personal and professional life and proficiently capable of giving efficient, qualitative and compassionate care, upholding the standards of nursing.
2. The intention of the institution to train and prepare students as excellent future leaders in health care, loyal to the highest ideals of health profession. The unique characteristic of the training imparted in this institution is that it seeks to imbue the nurses with compassionate love of Jesus to the sick and suffering, poor, lonely, the lost and those in need of health care.
3. The obligation of teaching faculty to guide our students, to take pride in upholding and promoting nursing profession.

OBJECTIVES

On completion of General Nursing Midwifery course of three years the student is expected to:-

- ♦ have the professional competence in planning and providing safe health care to patients suffering from various types of illness, applying relevant knowledge from biological and behavioral sciences
- ♦ have knowledge and competence to provide effective health education for preventing diseases, restoring and promoting health
- ♦ observe moral and ethical values in her personal and professional life
- ♦ cooperate effectively with other members of the health team in the institution as well as in the community health unit
- ♦ demonstrate basic management skills in managing a hospital ward as well as a community health unit
- ♦ render service to fellow beings with tenderness, concern and respect; commit herself to provide the best quality care
- ♦ have professional competence to be employed as staff nurse at primary, secondary or tertiary health care centers in the country

NURSING SCHOOL ANTHEM

Sing aloud to the God of strength
Shout for joy to the God of love
Make joyful praise to the God of all
Honour and worship to Him alone

Chorus:- *St. Augustine our Patron
Father of poor and the lonely
Noble teacher scholar preacher
From truth and virtue will never stray*

Love and do what you will
As nurses will go out hand in hand
May we be an instrument of healing
As we march with faith in you
To help us Lord you're always near
Bless our hands so that we won't fear
To help those who are in need of us
To make them experience your healing touch

UNDERTAKING

All the students are to give an undertaking to the management that they would abide by the rules & regulations of the institution and that in the event of violation of any rule that the judgment of the management shall be final. This undertaking shall be signed both by the student and by the parent or guardian.
